

CLASSIC HOLLYWOOD LOVES HENRY FONDA: BOOK AWARD NEWS

BLOOD MOON PRODUCTIONS ANNOUNCES A “BEST BIOGRAPHY” WIN FROM THE 2022 HOLLYWOOD BOOK FESTIVAL FOR ITS “60TH ANNIVERSARY OF HIS DEATH” OVERVIEW OF ONE OF THE 20TH CENTURY’S MOST INFLUENTIAL MOVIE STARS

August 28, 2022, FOR IMMEDIATE RELEASE:

Blood Moon’s recent biography of HENRY FONDA (the actor defined by the American Film Institute as the 6th Most Famous in Movie History) was honored yesterday at the Hollywood Book Festival. In a category loaded with stiff competition, it awarded it their coveted BEST BIOGRAPHY of 2022 Award.

According to a spokesperson for Blood Moon, “Henry Fonda was a stable, reassuring archetype of the American male whose movies (among others, *The Grapes of Wrath*, *Young Mr. Lincoln*, and *Mister Roberts*) helped define the American experience.”

“We define this as Volume One (1905-1960) of a two-part biography, covering Fonda’s origins in Depression-era Nebraska; his rise to fame; his complicated dynamics (including his affairs) with other celebrities; his direct involvements in America’s victory in World War II; and his sometimes tragic business and marital mistakes.

Volume Two (1961-1982), available in 2023, will review his complicated relationships with his famous and newsworthy daughter, Jane Fonda, and his (deceased) son, Peter. Together, this two-volume set gives the clearest, most detailed overview of this great American actor—and the dynasty he founded—ever published.

WHAT IS BLOOD MOON PRODUCTIONS?

Established in 2004 by writers formerly associated with THE FROMMER GUIDES, Blood Moon Productions is an independent publishing enterprise dedicated to researching, salvaging, and preserving the oral histories of America’s entertainment industry. As described by The Huffington Post: “Blood Moon, in case you don’t know, is a small publishing house on Staten Island that cranks out Hollywood gossip books, about two or three a year, usually of five, six-, or 700-page length, chocked with stories and pictures about people who used to consume the imaginations of the American public, back when we actually had a public imagination. That is, when people were really interested in each other, rather than in Apple ‘devices.’ In other words, back when we had vices, not devices.”

Blood Moon is one of the most prolific show-biz presses in the world, with a backlist of almost 50 titles, each an overview of seminal characters who affected the course of “The American Century.” It’s headquartered within **historic** Magnolia House, an award-winning AirBnb in Staten Island, the “sometimes forgotten” Outer Borough of New York City.
